

An aerial photograph showing a rural landscape with a mix of green fields, brown harvested fields, and dense dark green forests. A yellow polygon is drawn on the map, highlighting a specific area of interest. To the right of the highlighted area, there is a small cluster of buildings and a road. Further to the right, a town or village is visible, followed by a large industrial or railway area with many tracks and buildings. The overall scene is a typical French countryside.

Projet de centrale photovoltaïque au sol Tergnier (02)
