

A photograph of a rural landscape. In the foreground, a field of harvested corn with brown stalks is visible. To the left, a tall utility pole stands near a road. In the background, a long, low, grey industrial building or warehouse is situated behind a line of trees. The sky is filled with heavy, grey clouds. A small sign with the word "ivais" is partially visible on the left edge.

*Vue depuis l'intersection de la route départementale D209 et du chemin de Beauvais, au Nord-Est du projet*

A photograph of a modern building with a blue and white facade, partially obscured by dense green foliage. A utility pole is visible on the left side of the frame. The building has a distinctive design with horizontal blue and white stripes. The foliage in the foreground is thick and green, with some leaves showing signs of autumn. The sky is overcast with grey clouds. A road is visible on the left side of the image, and a small signpost is partially visible in the bottom left corner.
