

A photograph of a landscape. In the foreground, a dirt path covered with fallen leaves and patches of moss leads from the bottom left towards the center. To the right of the path is a field of tall, dry grass. In the middle ground, there is a line of trees with autumn-colored foliage (browns and oranges). In the background, a tall, slender telecommunications tower stands prominently against a sky filled with grey and white clouds. The overall scene is captured in a wide-angle shot.

A photograph showing a tall, silver mobile phone tower on the left side of the frame. In the center, there is a large, open-sided building under construction, with its steel framework visible. The foreground is a field of tall, dry grass. The background features a line of trees with autumn foliage and a cloudy sky.
