The map displays the project area in Boé, France, with the following details:

- Project Zone:** A dashed rectangle labeled "BOE" indicating the study area.
- Module Installation:** A dotted rectangle within the project zone.
- Buildings:** Pink squares represent residential buildings, and white squares represent undifferentiated buildings. Distances from the module installation to various buildings are marked: 69 m, 70 m, 29 m, 28 m, 32 m, 135 m, 48 m, 80 m, 72 m, 59 m, and 147 m.
- Land Use:** The map shows various land uses including agriculture (yellow), woodlands (green), extraction activity (purple), tertiary production (orange), road networks (red), railway networks (grey), residential use (pink), and areas without use (hatched).
- Infrastructure:** Road segments (brown lines) and water courses (blue lines) are shown. The "la Quesne" and "la Garonne" water courses are labeled.
- Communes:** The map shows the boundaries of Boé and Layrac.
- Scale and Orientation:** A scale bar at the bottom right indicates distances from 0 to 200 meters. A north arrow is located in the top right corner.
