et affluents.

A photograph of a dirt path in a wooded area. The path is made of dirt and small stones, leading into the distance. On the left side of the path, there is a dense thicket of green trees and bushes. On the right side, there is a dense thicket of green trees and bushes, with a small stream or ditch visible in the lower right corner. A blue line is drawn across the image, starting from the top left and ending at the bottom right. A blue arrow is drawn on the right side of the path, pointing upwards and then curving downwards. Two white text boxes are overlaid on the image: one on the left side of the path and one on the right side.
